

Sometimes true perfection  
takes time.

Sometimes it doesn't.

# Lexmark C524

Rapid, high-quality colour for  
your fast-paced business

## Full-speed ahead

Armed with a powerful 500MHz processor and 128MB of standard memory, the C524 makes light work of your complex print jobs.

## Lower your cost per page

Achieve bigger savings and less intervention with the optional high-yield toner cartridges for both colour and mono.

## Intelligent use of colour

Benefit not only from vivid, real 1200 x 1200 dpi resolution, but also from a wide range of features to control colour costs.

4800 Colour Quality

Up to 19 ppm  
mono/colour

Aftermarket high yield  
cartridges

We make printing easy

# Lexmark C524/n/dn/dtn

## Powerful performance. Eye-catching results!

Innovative and easy to use, the Lexmark C524 was designed especially for workgroups with busy printing needs. It offers outstanding colour quality, powerful performance and more ways to save!

### For your busy workgroup

Great colour quality comes at no compromise to performance. The C524 offers a multipurpose feeder to run diverse media. And it reaches print speeds of up to 19 ppm whether you're printing in colour or mono!

### Light costs

Big print runs don't have to mean big expenses. To lower your cost per page, you can opt for the high-yield cartridges – up to 8K\* pages for mono, 5K\* for colour. Or for even greater savings, an automatic-duplex model to cut paper waste in half.

### More possibilities

In addition to advanced security features, the network models are equipped with ImageQuick technology for fast, easy printing of Web-based documents. You can also benefit from other workflow-enhancing solutions, like Lexmark's Document Accounting Solution and Distributed Print on Demand.

### Quality with total control

Sometimes you need the unbeatable 4800 Colour Quality output. But for a lot of your everyday documents, mono or draft quality may be enough. Lexmark's unique ColorCare technology puts you in control. It includes...

- Colour-access restrictions via user login and password
- Black-and-white lock modes for specific times of day
- Proof-then-print feature to reduce waste
- 3 toner-saver levels to economise toner by up to 50%
- ColourSaver mode to lighten toner use on heavy images
- Coverage estimator shows user cost of job before printing

#### Models available

C524 - Standalone  
C524n - C524 + network  
C524dn - C524n + duplex  
C524dtn - C524dn + 500 sheet drawer

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle.
